Schedule Number **GS-35F-0119P****SPECIAL ITEM NO. 132-53 WIRELESS SERVICES (FPDS CODE D304)****(Excluding local and long distance voice, data, video, and dedicated transmission services which are NOT mobile.)**

Harambee Charter School ("Customer") and Verizon Wireless enter into a Blanket Purchase Agreement (BPA) to further reduce the administrative costs of acquiring commercial items from the General Service Administration (GSA) Federal Supply Schedule Contract(s) **GS-35F-0119P**.

BPAs written to Federal Supply Schedule holders eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of bids and offers. BPAs are permitted with Federal Supply Schedule contractors in accordance with Federal Acquisition Regulation (FAR) Part 13.303.

This BPA will further decrease costs, reduce paperwork and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the **Government that works better and costs less.**

The school/district has the option of reducing the scope of the contract. If, for any reason, funding is denied, this agreement would be null and void.

Verizon Wireless certifies that we are not the subject of the FCC's Red Light Rule. Furthermore, we acknowledge that, should the company become the subject of the Red Light Rule, the contract would be null and void and Verizon Wireless would not hold the School liable for any costs over their USAC discounted share.

Verizon Wireless will abide by the conditions set forth in the bidder requirement section of this RFP unless otherwise noted in Section VIII of the original proposal dated January 4, 2007.

Please note that Verizon Wireless' GSA-FSS contract is scheduled for renewal in December of 2008. Services and prices in this proposal quoted beyond December of 2008 are contingent upon renewal of Verizon Wireless' GSA-FSS contract.
